

End of Term Newsletter

We are coming to the end of the academic year and although we have been faced with some challenges with the ongoing COVID-19 Pandemic, I hope you agree that we have had fun at Caterpillars!

Fundraising

The children have been making pompoms, bookmarks and mats out of wool. We will be selling these during the last week of half term, with a "pay what you want" no fixed price donation. All money raised will go into buying new resources for the club.

Exciting New Equipment

We will be installing an interactive white board in our classroom over the next few weeks, ready for the start of the new school year. We will use it to compliment our current resources and we are extremely excited with this new addition. We are also refurbishing our outdoor area in early Autumn, another fantastic change that we are thrilled about.

We're Expanding

Caterpillar After-School Club has become very popular and we are fortunate to be able to rent another classroom from the school to accommodate. We have increased the number of staff at each session and are working on some exciting activities for the term ahead. Your child's time will be shared between the Caterpillar Club Building and garden, an attached classroom and the Leechpool Primary School Grounds. Due to this expansion, we remind all parents that we require a month's notice on any cancellations or changes. Our fees will remain the same at £11 per session.

Have a Fantastic Summer Break!

We would like to wish all the Year 6s the very best in their exciting new venture at secondary school and we look forward to welcoming back our Leechpool pupils at the start of the Autumn term.

Note from the Committee

The Committee of Leechpool Nursery & After-School Club would like to take this opportunity to say a huge thank you to our lovely parents and carers, and especially to the wonderful children who are part of our community. We have all continued to cope admirably with the difficulties that the pandemic has presented us with and we would like to acknowledge how wonderfully kind and supportive our parents have been throughout. Behind the scenes our dedicated, hard-working team have strived to maintain a safe and happy place for the children and the Committee would like to say a heartfelt thank you to those amazing ladies who, without question, give their all for the children each and every day. We as a Committee are very proud of all of you and wish you all a very enjoyable summer break.
