# Delayed Start Time - Tuesday, 4th January 2022

A reminder to all our Tuesday morning children that nursery is opening at 10:30am on Tuesday, 4<sup>th</sup> January 2022. This is to allow us to run a settling in session for our January starters. Please ensure that children attending the morning session arrive at 10:30am, a member of the team will be at the gate to welcome you in. Please note that the afternoon session is not affected.

## **Your Mind Matters**

We appreciate how incredibly tough this year has been on children and families. We also know that winter, Christmas and the festive holidays can be a really difficult time for some people. You can find lots of information, support and links to further help online at <a href="https://www.westsussex.gov.uk/YourMindMatters">www.westsussex.gov.uk/YourMindMatters</a>.

# **Toys from Home**

Please note that we will no longer allow our Caterpillars to bring any toys from home, with the exception of comforters. We relaxed this rule through the Autumn Term, but need to reintroduce it to ensure that we reduce the risk of transmitting COVID.

#### Illnesses

Please can we remind you not to send your child into school if they have experienced diarrhoea or vomiting until 48 hours after the last episode, to avoid unnecessarily passing it on to other children and staff.

If your child is feeling ill in the morning, please keep them at home and assess them during the day. If they need calpol before they come to school to reduce a temperature or hide a symptom, this can often wear off by lunchtime and the child needs to go home but have subsequently passed their illness on to someone else.

Please remember to regularly test for covid with lateral flow tests, for the protection of everyone.
